

MEMBERSHIP OUTLINE

Thank you for your interest in becoming a Junior Orange Bowl (JOB) Member. The JOB is a volunteer-led, 501(c)3 non-for-profit organization that hosts athletic, academic, and cultural competitions that draw over 7,500 youth from Miami, the State of Florida, across the United States, and all over 75 countries worldwide to compete. All of the JOB events are produced through committees made up of members and volunteers.

Our members share the passion for creating lifetime memories for our youth. In addition, members have a vested interest in the health, wellbeing and infrastructure of the organization. Through the investiture of time, talents, and treasure members exhibit a strong desire to provide leadership and direction to the organization in its entirety as well as to the many unique events and programs. Through these acts of stewardship, committee members provide long-term stability, fostering opportunities for future growth, all to better position the organization to successfully fulfill its mission.

The following is an overview of the membership:

- First Year Annual Membership fee of \$250 (includes committee jacket and name tag) – thereafter annual membership due is \$150
- Participation in one or more event committee(s)
- Requirement to participate in two (2) Junior Orange Bowl events on event day. One of the events must be Parade. If a member cannot participate on Parade Day, the member must at least participate in some way during the planning and development phase for that event. Inclusion of this event will allow new members to see how one of the organization's oldest and most prominent events is planned and executed, and will be a good way to network and meet the majority of the members.
- Participating in a "non-event" committee such as Gala, Family Day or Membership will count as an event for fulfillment purposes.
- Must attend a minimum of six meetings/socials a year, two of which need to be business meetings. Meetings/Socials are held every third Thursday of the month.

To become a member, please fill out the form attached and return to jcerda@jrorangebowl.org, or for more information contact Jess Cerda-Antomarchi at 305.662.1210
