Dear Friends,

It is truly my honor to personally welcome you all to the 62nd International Junior Orange Bowl Tennis Championship this year.

As we embark on our 75th year, Junior Orange Bowl was founded in 1948, with the inaugural Parade through downtown Coral Gables. The annual Parade can be still seen throughout Miracle Mile in Coral Gables every December. Throughout the years, Junior Orange Bowl has expanded to be able to host competitive athletic, academic, and cultural arts events in a culturally rich, diverse and essentially safe environment for all. In a world that is constantly evolving, innovation is the driving force that propels the Tennis Championships forward. This Championship is a distinctive event as it ignites forward progress for the sport, it values itself as the catalyst to unlocking new opportunities for all athletes and coaches and has been recognized as one of the top three youth Tennis Championship in the World!

I would like to take a moment and pay tribute to the Past Presidents that have helped shaped the organization. Celebrate the present, thank you to the Present Board of Directors, Present Committee Chairs and all Members and Volunteers that truly are the heartbeat of this organization. Lastly, I would like to extend my sincere gratitude to the Tennis Committee, chaired by Kevin Arnoux, for the unwavering commitment, exceptional dedication and great milestones that were achieved during this tenure.

May the memories you make this year, serve as a collective journey and legacy you continue to build for years to come.

We are anxiously anticipating to see who will join our archived alumni, this year!

In service,

Lisa Albizu-Vazquez

53rd President

JUNIOR ORANGE BOWL HAS A NEW VISION

For the 2023 edition and beyond, the Junior Orange Bowl Tennis committee came up with a new vision, based on the following principles, to take this legacy even further:

1) Athletic Excellence: The 2023 JOB is set to elevate the standards of competitive tennis to new heights. To ensure that only the very best players take the stage. This unwavering commitment to excellence guarantees that the competition will be fiercer than ever before. ***“We want these young athletes to feel like they’re competing at the highest level of tennis”*** emphasized **Robert Gomez**, who is the new Junior Orange Bowl Tennis tournament Director.

2) Elevated Experience: The JOB is dedicated to creating an experience that mirrors the professionalism of top-tier tournaments. Each match will be recorded, comprehensive post match player analytics will be delivered by our sponsor Swingvision’s AI software, and the will even be post-game press conferences! Off the court, ***“our new initiatives ensure that they not only compete but also savor every moment on and off the court as if they were participating in a mini US Open. In addition to the unique set up we will have this year, players will also enjoy a full blown player party with DJ, pizza truck, and a lot of fun activations throughout the event will make this an unforgettable experience.”*** said **Cathy Nordlund**, tournament coordinator since 2010.

This elevated experience is made possible through the wholehearted support of our sponsors, who share our vision of enhancing the tournament experience for young athletes.

“We’re thrilled to partner with brands that are deeply committed to making a positive impact in the lives of these young athletes by making this event memorable and unique” added **Michael Wiesenfeld** who recently joined the JOB Tennis Committee to revamp the sponsorship platform and improve the tournament experience for all the stakeholders. *“It’s not just about financial support; it’s about actively contributing to the experience through unique on-site activations and nurturing a sense of community.”*
